Protech Diesel Center Kamloops Services Overview

diesel tuning Kamloops

Read 6 web pages

Based on your interest in diesel tuning in Kamloops, the **Protech Diesel Center** you previously asked about is indeed a well-regarded option, as they specialize in this service for light-duty pickup trucks.

Here is a more detailed breakdown of their specific tuning services and capabilities:

**Diesel Tuning Services at Protech Diesel Center**

Protech offers a comprehensive diesel tuning service in Kamloops. According to their website, they specialize in:

- Custom Tunes:** Tailored specifically for your vehicle.
- Switch-On-The-Fly (SOTF) Tuning:** Allows you to change tune settings on the go.
- ECM/TCM Tuning:** For engine and transmission control modules.

**What They Work On**

They focus on domestic diesel pickup trucks (Ford, Dodge/Ram, GM/Chevy) and work with popular tuning platforms like **GDP, DIESEL R, EFI Live, EZ Lynk, and HP Tuners**. Their website has an extensive online store with tuning files and kits for specific vehicle years and models.

**Alternative Local Options**

While Protech is a strong candidate, you might consider these other shops depending on your location:
